## 2023: The Highlights

Full contact football was added during the Fall of 2023. 48 kids were able to take advantage of this new opportunity between our Jr and Sr Tackle teams. Their season concluded with games played at Lucas Oil Stadium!

Softball recently broke ground on a new pressbox. We look forward to completing this project in 2024 to provide a more exciting experience for our Softball girls and their families.

Baseball was able to complete a long overdue field project in Medaryville that extended the base lines and outfield to accommodate the 15U/14U teams. During this time a new pressbox was also constructed, along with dugout upgrades and a new scoreboard.

The Trojan Wrestling Club was founded in 2019 and consolidated with West Central Youth League this winter. They will continue with their schedule as normal.

## 2023: The Numbers

In 2023 we were able to provide sports to 223 different kids from ages 4-15. Of those, 88 athletes participated in 2 or more sports. This equates to an estimated 36% of children in western Pulaski County participating in WCYL!

Thank you to all our sponsors and volunteers! We could not provide these opportunities without the generosity of our community and local businesses. We look forward to continuing to provide quality youth opportunities in 2024!
