# WEST CENTRAL YOUTH LEAGUE

## Baseball, Softball, & T-Ball

Our Baseball, Softball, and T-ball seasons were a big success, with strong participation, exciting competition, and lots of growth from our young athletes. This spring, our programs brought together 191 athletes across 17 teams, creating a season filled with growth, teamwork, and excitement - made possible by the dedication of our coaches and volunteers. We're proud of all our players and thankful for another great spring season in our league!

Several of our baseball teams advanced to championship tournament games, with our 10U teams finishing as Champion and Runner-Up, an outstanding accomplishment that reflects their hard work and dedication.

Improvements continue at the new T-Ball field in Medaryville. Thank you to WP Township and league volunteers for making it possible to add new dugouts for our youngest athletes!

SPRING  
2026

## Football and Cheer

Youth Football fielded one Sr Tackle, one Jr Tackle, and one Flag team, with 56 boys participating. Youth Cheer continued to grow with 29 girls across three squads—Flag, Jr, and Sr. Throughout the season, our football players and cheerleaders proudly represented WC in more than 25 games at home and at neighboring schools.

Youth football players and cheerleaders were honored during Youth Recognition Night at halftime of the varsity football game. Players had the exciting opportunity to run onto the field with the varsity team, while cheerleaders joined in to cheer on the track.

West Central Youth League returned to Lucas Oil Stadium this year, giving players and cheerleaders the exciting opportunity to compete and perform on the big stage.

The cheerleaders debuted a brand-new Trojan Nation breakaway banner this past season, creating an exciting entrance for our football players as they charged onto the field.

## THANK YOU!

As always, we could not provide these opportunities without the support of our sponsors and volunteers! Thank you all for your continued support of the Youth League!

We are extra thankful for the Community Foundation of Pulaski County along with Casey's, Walmart, Gillam Township, Doral LLC, and league sponsors for helping us get closer to reaching our goal for adding field lights in Medaryville! Thank you also to the Town of Medaryville for supporting this project! We plan to start installation in 2026!

**Now accepting sponsors for 2026!**
